NOV. 19 FOOD WORKSHOP

FOOD BENEFITING CHILDREN

Learn about food and the connection of the creative processes of children and adults, as well as the beauty of being together and sharing experiences and personal tastes.

SUPPORT REGGIO CHILDREN

Reggio Children's 'Pause' program supports children's research and promotes people to pause and appreciate not only the taste of food but where food comes from, how it brings us together, and can connects us across cultures.

Space is limited. Register at the following link by Nov. 15.
